

Meeting Arizona's College and Career Ready Standards for Special Education

Day One

Participants will be able to:

- Identify pedagogical shifts in ELA and Mathematics in the Arizona's College and Career Ready Standards
- Describe the importance of access to the AZCCRS for students with disabilities
- Define the role of the special education specialist in implementing the AZCCRS for students with disabilities
- Define Universal Design for Learning and state how UDL supports students with disabilities
- Identify areas of need and recommend appropriate standards for sample students

Day Two

Participants will be able to:

- Describe a process for developing and writing AZCCRS IEP goals and benchmarks aligned to the student's PLAAFP
- Describe how to identify entry points to standards
- Generate standards-based goals for sample students with IEPs
- Identify readily available resources, instructional strategies, and evidenced-based strategies to support students with disabilities
- Develop an action plan to build capacity within your school/district

A laptop or iPad will be needed on day two.
